“Wendy & Renee have crafted beautiful songs that feature their sweet, familial harmonies. Their acoustic instruments with the addition of Rod Olstad’s violin/viola provide the perfect support for the vocals of this mother/ daughter folk duo”

“Wendy & Renee played at my venue on January 25, 2020 to a sold out room and provided a warm, wonderful, and welcoming evening of music. They are a talented duo with lovely harmonies, multi instrumental abilities and engaging song writing with heartfelt stories. I would definitely have them back in a heartbeat”
